Evaluation &
Assessment

UCSB

Satisfaction with organization's **ability to implement DEIA increasing practices**

Comparing satisfaction with non-profits **willingness to discuss** DEIA to **ability to implement practices** that increase DEIA.

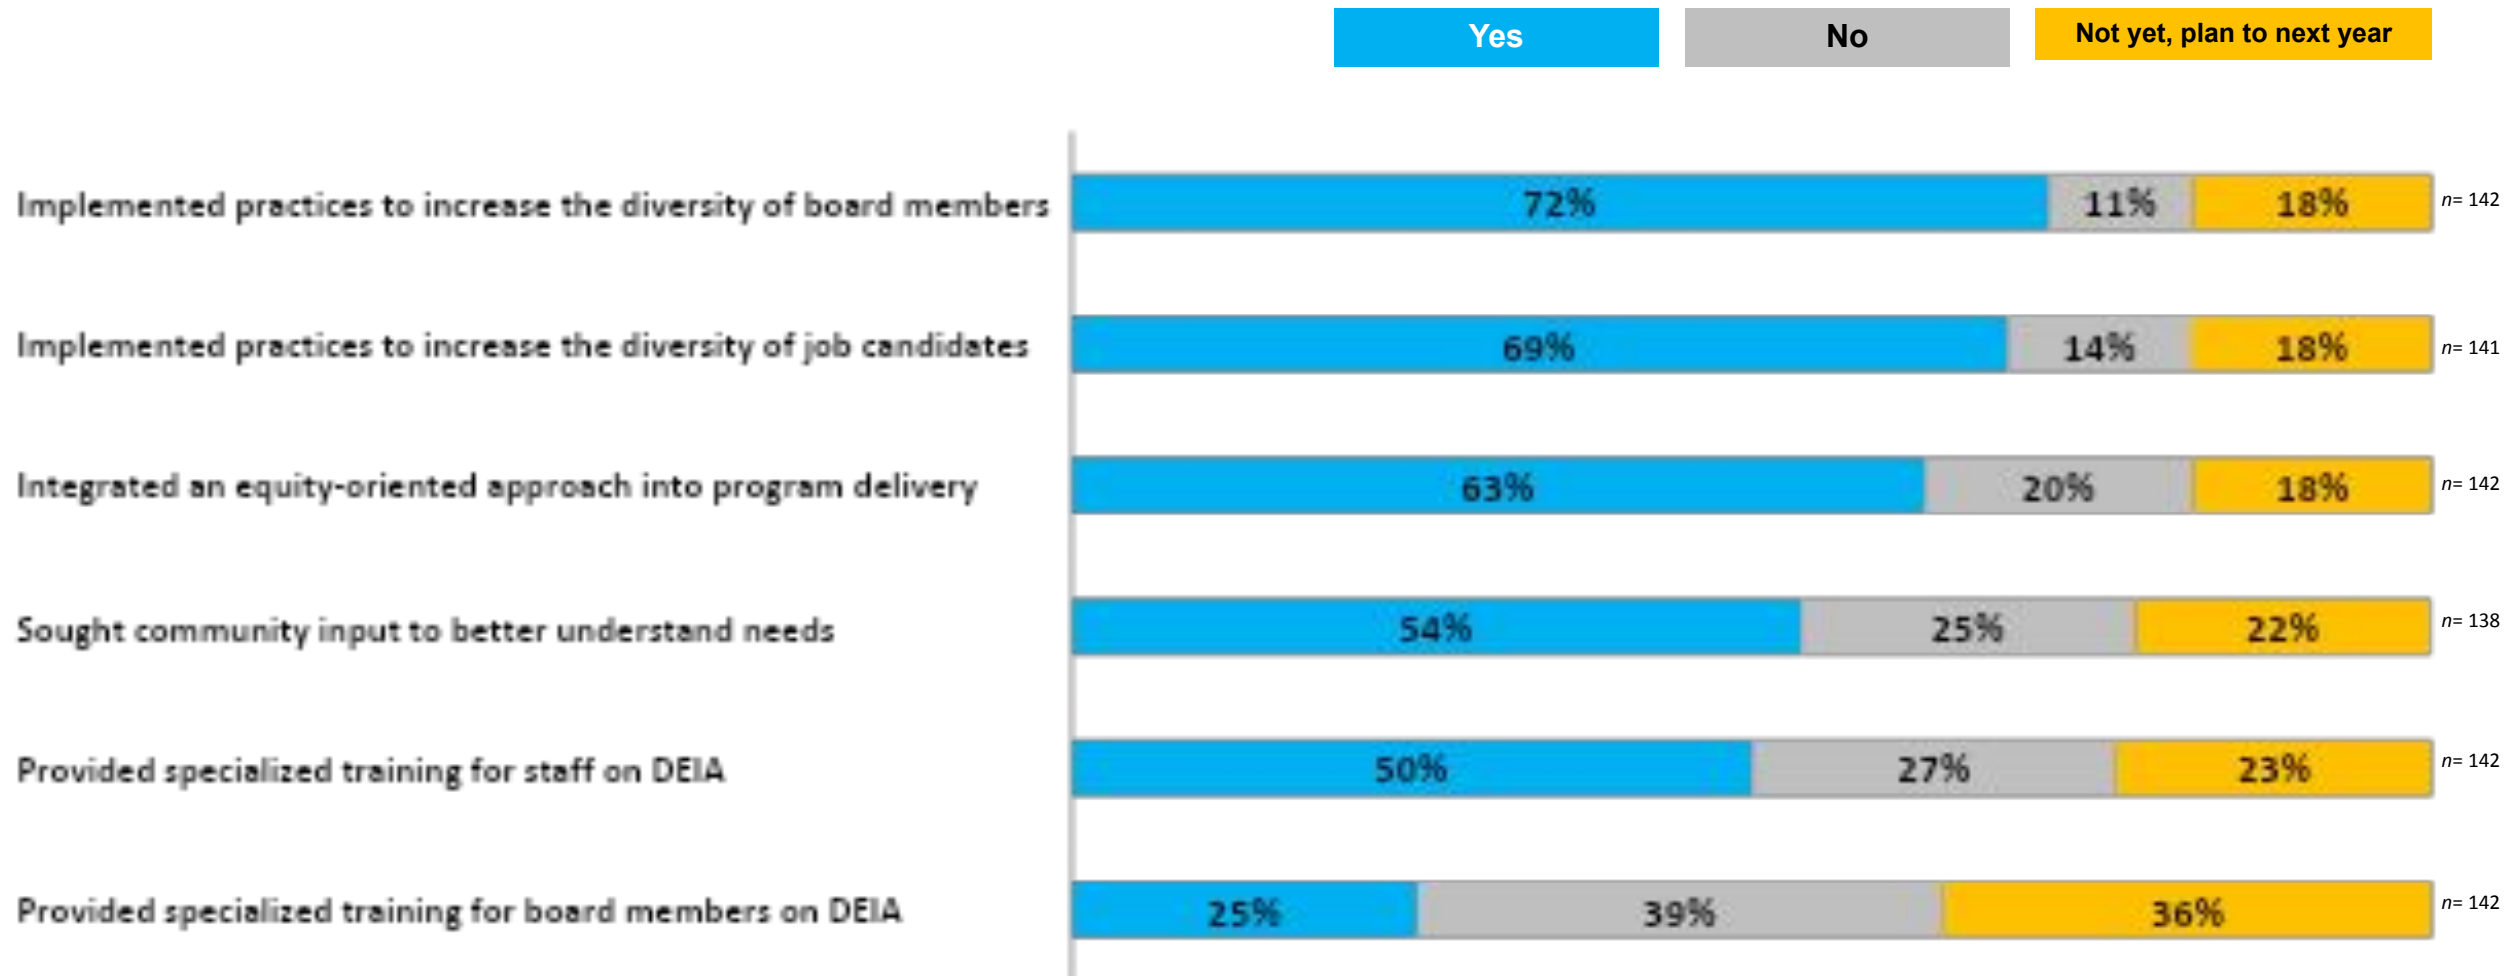

Diversity, Equity, Inclusion, and Access (DEIA)

Actions non-profits have taken to promote Diversity, Equity, Inclusion, and Access (DEIA)

Other Insights

36%

n= 59

Of non-profits indicated that DEIA training was one of their top organizational capacity building needs during the next year
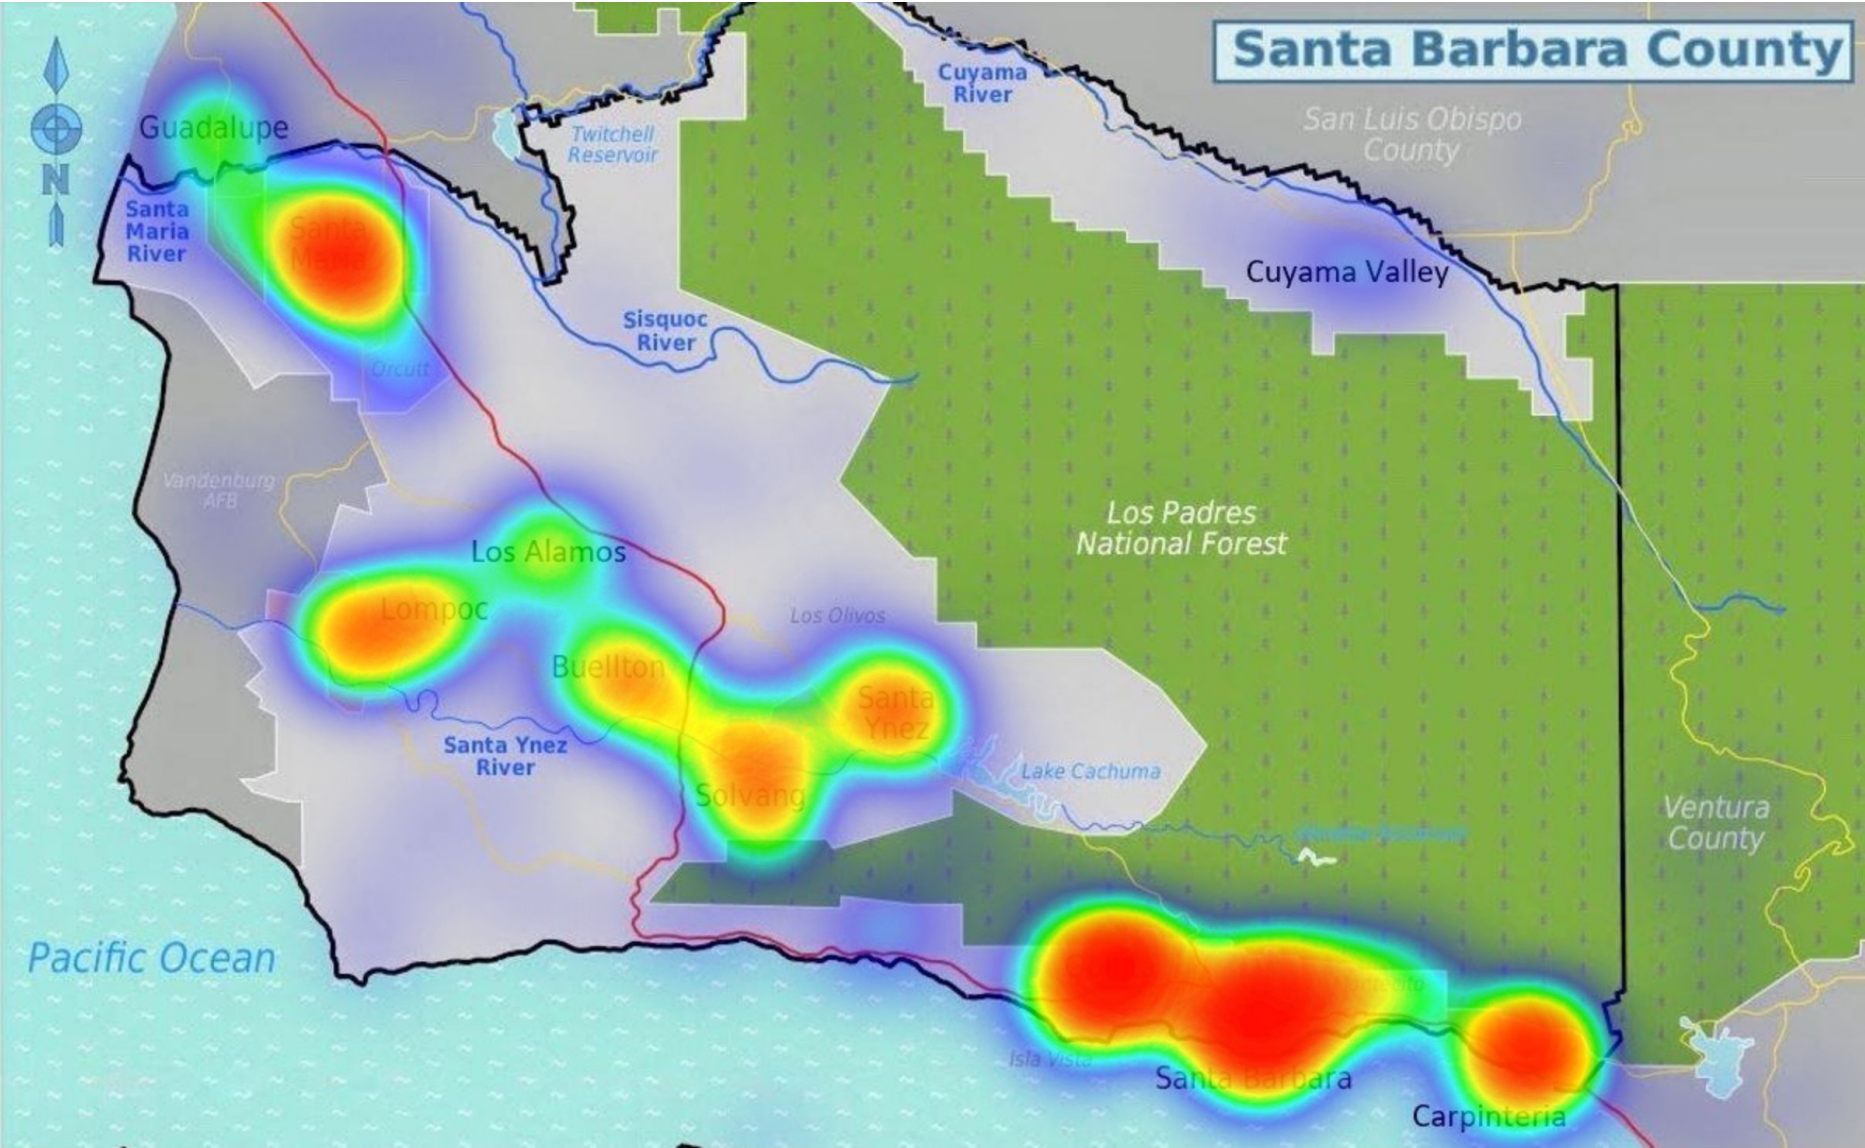

" *"....Many new nonprofits are venturing into innovative financial sustainability models such as social entrepreneurship. These emerging areas of focus are challenging status quo in the nonprofit sector. What's more, there is a growing balance in both direct services and wraparound upstream advocacy and lobbying to address broken systems themselves...."* "

" *"North County has substantially fewer nonprofits and grantors per capita than South County, with a higher level of poverty and ethnic diversity."* "
